Education

Charotar University of Science and Technology

Bachelor of Technology in Computer Science and Engineering; CGPA: 7.79

September 2023 – May 2026

Anand, Gujarat

Sigma institute of Engineering

Diploma in Computer Engineering; CGPA: 9.30

September 2020 – June 2023

Vadodara, Gujarat

Experience

Mamo TechnoLabs LLP

PHP Developer Intern

May 2024 – June 2024

Vadodara, Gujarat

- Constructed two websites, ForeX4U and SkyTrans, exceeding expectations by delivering a fully functional Ahead of the deadline.
- Contributed to feature documentation to enhance clarity and improve cross-team understanding.
- Collaborated on web development using PHP, HTML, and CSS, and participated in client meetings and project planning.
- Gained hands-on experience in website design, functional analysis, SEO optimization, and testing processes.

Relevant Projects

HealthSync / Next.js, Appwrite, Tailwind CSS, Vercel, GitHub

January 2025 – April 2025

- Designed the frontend of a healthcare appointment system using Next.js and Tailwind CSS
- Integrated key features including patient registration, appointment requests, and admin passkey validation
- Optimized user interface to improve usability and streamline patient-admin interactions.

Smart Inventory Management System / MERN Stack, GitHub

January 2024 – April 2024

- Designed and implemented MongoDB schemas to enable efficient storage, querying, and management of inventory data.
- Developed server-side logic using Node.js and Express to perform CRUD operations and maintain data integrity.
- Constructed the backend logic using node.js and Express to manage inventory and tool data

Cre8ive Studio / Next.js, MongoDB, Vercel, GitHub, Cloudinary

July 2024 – November 2024

- Built a media uploader for image and video content with seamless MongoDB integration.
- Integrated the uploader into the application workflow to enable real-time media uploads and content tracking.
- Gained hands-on experience in MongoDB by building a data management system to monitor user interactions and manage assets via Cloudinary.

Certifications and Achievements

- 2nd Runner-Up, SAP GTU-Code Unnati Innovation Marathon 3.0.
- NPTEL Certification – DBMS and Blockchain and Its Application
- Red Hat Coursera Certification
- HackerRank certification – JAVA AND MYSQL
- Participant – Bharat Blockchain Yatra Workshop
- Certification of SAP Code Unnati Advance Course

Skills

Languages: Java, Dart, JavaScript, PHP, C, C++, Python

Frameworks: React.js, Next.js, Node.js, Flutter, Express.js

Software & Tools: VS Code, Vercel

Database: MYSQL, Firebase, MongoDB

Operating System: Windows, Linux, Red hat

Version Control: Git, GitHub

Soft Skills: Team Collaboration, Project Management, communication
