SUMMARY:

Siddhit Kale, a Computer Science Engineer with experience in building and developing various projects. I have a strong understanding of Java, Android, Flutter, and other technologies. I am seeking a developer role where I can grow, lead a team, and contribute to the success of the organization and the industry.

Education:

❖ **Bachelor of Technology (Charotar University of Science and Technology) | 2023 - Pursuing**
CGPI - 7.79 | Computer Science and engineering

❖ **Diploma (Sigma Institute of Engineering) | 2020 -2023**
CGPI - 9.34 | Computer Engineering

❖ **10th Grade (Baroda High School Danteshwar) | March 2020**
Percentage - 65%

Projects:

❖ **Food Villa | Computer Engineering** (Nov 2022 - Feb 2023)
- Proficient in native Android development using Java and XML.
- Designed and implemented user-friendly interfaces for browsing menus and placing orders, ensuring a seamless experience for users.
- Gained a strong understanding of native application development on the Android platform.

❖ **MY Twitter | Computer Science and Engineering** (Jun 2024 - Nov 2024)
- Proficient in Flutter and Dart for cross-platform application development.
- Skilled in creating user-friendly interfaces and seamless cross-platform applications using Flutter and Dart.
- Developed key features such as post creation, liking, commenting, and reporting, forming the core functionality of the application.

❖ **Cre8ive Studio | Computer Science and Engineering** (Jun 2024 - Nov 2024)
- Database Management and Media Uploader
- Developed a media uploader for seamless image uploads, integrating it with the overall application workflow.
- Gained a comprehensive understanding of MongoDB by building data management system to track user interactions.

Achievements:

- Participated in **Bharat Blockchain Yatra Workshop** to gain foundational insights into blockchain technology.
- Certified in **NPTEL Database Management Systems**.
- Red Hat Course Certification, demonstrating intermediate proficiency in Linux system administration and tools.
- **Certification of Participation in Flipkart Grid 6.0 - Software Development Track.**
- HackerRank Java and MySQL Certifications, highlighting proficiency in programming and databases.
